Re: IBEW COPE ID NO C00027342

Dear Ms. Manning:

I am responding to your inquiry concerning IBEW COPE's beginning cash balance for January 1, 2001 and any receipts that IBEW COPE may have received from a single source aggregating greater than \$200 in the calendar year.

The beginning cash balance for January 1, 2001 has been corrected on all monthly Federal Election Commission reports covering 1/1/2001 through 12/31/2001. These reports have been amended and submitted for approval.

IBEW COPE is also amending its monthly reports to reflect receipts received from individual sources that aggregate greater than \$200 in a calendar year.

Best wishes.

Sincerely,

Jerry J. O'Connor
